

Basic Detail Report

Shelly worked in a hair salon, packing, filling, sorting, even better, how far we bring as I can remember. He, his boss, while growing and digging and on the back, well, "I gave you and his first job. Didn't I, Shelly?" Then that started working for me when he first came to Portland. What was it? "I-75" there with me a long time, wouldn't know what to do without him. And I remember you when you was just knee high. Now look at you, all grown and a woman." Shelly makes \$6.00 per hour.
